Results improve significantly when you provide detailed, specific context.

**BRAND
DISCOVERY &
POSITIONING**

%, Brand Archetype
Finder

"Based on this business description: "[DESCRIBE YOUR BUSINESS, AUDIENCE, AND VALUES]", identify the most fitting brand archetype from the 12-archetype framework (Hero, Outlaw, Explorer, Creator, Ruler, Caregiver, Everyman, Lover, Jester, Sage, Innocent, Magician). Explain why this archetype fits, what it means for visual and verbal identity, and how to avoid the archetype's shadow traits."

% Positioning Statement Generator

"Help me write a brand positioning statement for [BRAND NAME]. Context: we serve [TARGET AUDIENCE] who struggle with [PAIN POINT]. Unlike [ALTERNATIVES/COMPETITORS], we [UNIQUE DIFFERENTIATOR] because [REASON TO BELIEVE]. Generate 3 positioning statement options using the classic format: "For [audience] who [need/want], [brand] is the [categ

ory] that
[benefit]
because
[RTB].""

% Value Proposition Builder

"Generate 3 value propositions for [BRAND NAME] targeting [CUSTOMER TYPE]. Each should answer: What do we offer? Who is it for? What problem does it solve? What makes us different? Format as: one headline (under 10 words), one subheadline (under 20 words), and three supporting bullet

points.
Avoid
jargon."

BRAND VOICE & TONE

% Voice Attribute Generator

"Define the brand voice for [BRAND NAME] using 4 personality attributes . For each attribute: name it, describe what it means for our communication style, give a "we are this, not that" contrast example, and provide one sample sentence showing the attribute in action.

Context: [DESCRIBE BRAND AND AUDIENCE].

%
