%, Case
Study !'
Ad Copy

"Turn
this
client
case
study
into 3 ad
copy vari
ations for
Facebook
/Instagra

m. Each should: open with the client's result as the hook, briefly describe how, and end with a CTA. Variations: (1) result-led, (2) problem-led, (3) transformation story. Under 100 words each. Case study: [PASTE]."

**% Case Study !'
LinkedIn Post**

"Turn this case study into a LinkedIn post. Open with the result in one punchy line, tell the story using problem !' approach !' result structure,

add one
generalis
ed
lesson
for the
reader,
and
close
with a
question
or CTA.
Under
250
words.
Case
study:
[PASTE]."

%, Case
Study !'
Email
Story

"Turn
this
client
case
study
into a stor
ytelling
email.
Open
with a
scene-
setting
moment
(place
the
reader in
the
client's
shoes),
build the
tension
of the
problem,
introduce
the
turning
point

(our engagement), reveal the result, and connect it to the reader's situation. Under 350 words. CTA at end. Case study: [PASTE]."

DATA & STATISTICS REPURPOSING

%, Stat !' Social Post Series

"I have this data point or statistic: "[STAT]". Create 4 social posts around it for 4 different platforms: (1) LinkedIn (analytical , professional

angle),
(2) Instagram
caption
(visual, relatable),
(3)
Twitter/X
(punchy, opinionated), (4) Facebook (community/discussion
angle).
Each
under
platform
character
limits."
