Customer Persona Workbook

Build the Most Accurate Picture of Your Ideal Client — Using Real Data

A
persona
built
from ass
umption
s is a m
arketing
liability.
This wor
kbook
helps
you
build a
persona
from
real
data:
client int
erviews,
sales
call
notes,
reviews,
and
social lis
tening.
Every
field
has instr
uctions
for how
to
source
the
answer,
not just
what to
fill in.
