

SEO Blog Writing Prompt Pack

End-to-End AI Workflow for SEO-Optimised Blog Content

Use these prompts in sequence to produce a fully optimised blog post from scratch. Each stage builds on the previous one. Works with ChatGPT (GPT-4o) and Claude (Sonnet or Opus).

STAGE 1 — TOPIC & KEYWORD RESEARCH

%,
Keyword
Cluster
Generator

"I run
a [TYPE
OF BUSI

NESS]
serving [T
ARGET A
UDIENC
E] in [LO
CATION/
NICHE].
Generate
a
keyword
cluster
around
the topic
"[SEED
TOPIC]".
Group ke
ywords
into: (1)
Primary
keyword
(highest
volume,
core
intent),
(2) Suppo
rting key
words
(related s
ubtopics),
(3) Long-
tail keywo
rds (ques
tion-
based,
low comp
etition).
For
each,
estimate
search
intent: inf
ormation
al, comm
ercial, or t
ransactio
nal."

%, **Blog**
Topic

Ideation

"Based on the keyword "[TARGET KEYWORD]", generate 10 blog post title ideas. Mix formats: how-to guides, listicles, comparison posts, thought leadership, and case studies. Each title should include the target keyword naturally and have high click-through potential. Audience: [TARGET AUDIENCE]."

%, Competitor Gap Finder

"I want to write about "[TOPIC]". My competitors are [LIST

COMPETITOR
URLS
OR
NAMES].
What
angles, s
ubtopics,
or questio
ns do
they
likely
miss that
I could
cover to d
ifferentiat
e my
content
and rank
for under
served
queries?"

**STAG
E 2 —
OUTLI
NE C
REATI
ON**

%, **SEO
Outline
Prompt**

"Create
a
detailed
SEO
blog post
outline
for the
title:
"[BLOG
TITLE]".
Target
keyword:
[KEYWO
RD].

Include:
one H1,
four to
six H2
sections
each
with two
to three
H3 subse
ctions, a
FAQ
section
with five q
uestions,
and a con
clusion
with a
CTA.
Each
heading
should
naturally
include a
relevant
keyword
variation.
Word
count
target:
[1,500 /
2,000 /
2,500]
words."

%, **FAQ**
Section
Generato
r

"Based
on the
topic "[TO
PIC]",
generate
8 questio
ns that
people co
mmonly
search

on
Google.
For each
question,
write a
concise
60-word
answer
that is
accurate,
helpful,
and optim
ised for
Featured
Snippets.
Format
each as
Question:
/
Answer:."

STAGE 3 — WRITING THE DRAFT

% Introduction Prompt

"Write an introduction for a blog post titled "[TITLE]". The intro must: (1) Open with a relatable problem or surprising fact, (2) Agitate the problem briefly, (3) Promise the solution the post delivers, (4) Include the primary keyword "[KEYWORD]" naturally in the first 100

words.
Length:
120–150
words.
Tone:
[BRAND
TONE]."

**%, Section
Expansi
on
Prompt**

"Expand
the
following
H2
section
of my
blog post
into 300–
400
words:
"[PASTE
H2 HEAD
ING
AND
BULLET
NOTES]".
Write in
a [TONE]
voice.
Include:
a clear ex
planation,
a real-
world
example,
and one
actionabl
e tip.
Naturally
include
the
keyword "[
KEYWO
RD]"
once or
twice

without forcing it."

%, E-E-A-T
Signal
Prompt

"Rewrite this paragraph to add Experience, Expertise, Authoritativeness, and Trustworthiness signals without sounding boastful: "[PASTE PARAGRAPH]". Add a first-person insight, a reference to industry data or best practice, and a concrete example."

STAGE 4 —
ON-PAGE
SEO OPTIMISATION

%, Meta

Title Generator

"Write 5 meta title options for a blog post about "[TOPIC]" targeting the keyword "[KEYWORD]". Each must be under 60 characters, include the keyword near the start, and have a high click-through hook (number, power word, or question). Label each with its character count."

%, Meta Description Generator

"Write 3 meta descriptions for a blog post

titled "[TITLE]".
Each
must be
140–155
character
s,
include
the
keyword "[KEYWORD]", summarise
the value
the
reader
gets, and
include a
soft CTA.
Label
each
with
character
count."

% , Internal Link Suggester

"My
blog post
is about "[TOPIC]".
I also
have
content
on the
following
topics:
[LIST
YOUR
OTHER
POSTS/
PAGES].
Suggest
4–6
places
within my
post
where I

could
add
natural
internal
links,
with suggested
anchor
text for
each.
Explain
why
each link
makes
sense for
the
reader."

STAGE 5 — EDITING & REFINEMENT

% Readability Improver

"Rewrite
the
following
section
to
improve readability
for a
[GRADE
LEVEL /
GENERAL
AUDIENCE].
Break up
long sentences,
use
active

voice,
add
transition
words,
and
replace
jargon
with
plain language.
Preserve
all information and
keyword
usage:
"[PASTE
SECTION
NJ]".

**% CTA
Closer
Prompt**

"Write
a blog
post conclusion for
an article
about "[TOPIC]". Summarise
the
three
main takeaways in
2 sentences each,
then
write a compelling
CTA
directing
the
reader to
[NEXT
ACTION
— e.g. download a
guide,
book a

*call, read
another
post].
Tone:
[BRAND
TONE]."*
