

Website Audit Checklist

47-Point Audit — Performance · SEO · UX · Conversion · Analytics

Run this checklist on any website before making improvements. Each item is binary — pass or fail. Tally your score at the end of each section. Anything below 70% in a section needs immediate attention.

SECTION 1 — Performance & Core Web Vitals (10 points)

&
Footer
contact
information
is visible
and applicable
on mobile

SECTION 4
— Conversion &

CTA (10 points)

What are the home page answers:
What do you do?
Who for?
Why trust you?

—
with
in
5 seconds

Primary CTA is specific ("Book a free call") not generic ("Learn more")
