

Landing Page Copy AI Prompt Pack

32 Prompts

These prompts are built to generate variations you can actually test, with the constraints that keep output specific instead of generic.

What's inside

- 32 prompts across page sections
- Headline variation generators
- Objection-handling prompts
- CTA microcopy variants
- Voice-matching technique

Headlines

- 01 Generate 10 headlines from one value proposition
- 02 Rewrite a feature-led headline as outcome-led
- 03 Produce variants at three different specificity levels
- 04 Constrain to a character count for layout fit

Body Copy

- 01 Turn a feature list into benefit statements with proof slots
- 02 Draft objection-handling copy from real sales call notes
- 03 Write a social proof section from supplied testimonials only
- 04 Produce a FAQ from actual customer questions

CTAs

- 01 Generate 15 CTA variants at different commitment levels
- 02 Write supporting microcopy that reduces perceived risk
- 03 Produce form field labels and helper text
- 04 Draft a thank-you page with a clear next step

Voice Matching

- 01 Supply three samples of existing copy as voice reference
- 02 Specify banned words and required terminology
- 03 Ask for output in your brand's reading level
- 04 Always edit — AI defaults to category-average phrasing
