

SEO Content Brief Template

Writer-Ready Brief

A good brief removes guesswork. This template specifies intent, structure, and coverage so writers produce a page that competes on the first attempt.

What's inside

- Search intent classification
- Required entity and subtopic coverage
- SERP feature targeting
- Internal link requirements
- Word count guidance from live SERPs

Intent Definition

- 01 Classify as informational, commercial, or transactional
- 02 Note the dominant content format in the current SERP
- 03 Identify what the top three results all include
- 04 State the single action the page should drive

Coverage Requirements

- 01 List subtopics every ranking page addresses
- 02 Specify entities, tools, and terms to mention
- 03 Collect People Also Ask questions to answer
- 04 Flag any claims that require a citation

Structure

- 01 Provide the H2 outline, not just a topic
- 02 Specify where tables, lists, or images belong
- 03 Define the intro angle in one sentence
- 04 Set a target depth based on live competitors

Linking

- 01 Three to five internal links with target URLs supplied
- 02 Anchor text specified to avoid over-optimisation
- 03 Identify which existing pages should link to this one
- 04 Note external sources acceptable for citation
