45 Questions That Get Real Answers

Ask "were you happy with the service" and you get "yes, very". These questions produce the specific, story-shaped answers that actually persuade.

What's inside

- 45 questions across the customer journey
- Follow-up prompts for thin answers
- Questions that surface specific numbers
- Release and consent guidance
- Editing for authenticity

Before The Purchase

- 01 What was happening that made you start looking?
- 02 What had you already tried that did not work?
- 03 What worried you about choosing someone?
- 04 What nearly stopped you going ahead?

The Experience

- 01 What surprised you about working with us?
- 02 Describe a specific moment that stood out
- 03 What did we do differently from your last provider?
- 04 Was there anything difficult, and how was it handled?

The Outcome

- 01 What changed as a result, specifically?
- 02 Can you put a number to that?
- 03 What can you do now that you could not before?
- 04 Who else in your position would benefit?

Interview Craft

- 01 Ask the subject to restate the question in their answer
- 02 Sit in silence — the second answer is usually better
- 03 Never feed them the words you want to hear
- 04 Get signed consent covering the intended usage
