

UGC Creator Brief Template

Brief, Rates & Usage Rights

Bad UGC is almost always a briefing failure. This template removes the ambiguity that causes reshoots and rights disputes.

What's inside

- Deliverable specs by platform
- Hook and talking-point direction
- Usage rights and whitelisting language
- Rate benchmark table
- Revision and approval process

Brief Essentials

- 01 One sentence on the product and who it is for
- 02 Three talking points, ranked by priority
- 03 What to avoid — claims, competitors, and phrasing
- 04 Reference examples of tone, not shot-for-shot copies

Technical Specs

- 01 Vertical 9:16, minimum 1080x1920, 30fps or higher
- 02 Natural lighting, clean audio, no background music
- 03 Deliver raw files plus one edited cut
- 04 Leave safe zones clear of on-screen text

Rights & Terms

- 01 State the usage window and channels explicitly
- 02 Specify whether paid amplification is included
- 03 Confirm exclusivity terms and category restrictions
- 04 Agree on credit and tagging requirements

Process

- 01 Concept approval before filming, not after
- 02 One round of revisions included as standard
- 03 Payment terms and timing stated in the brief
- 04 Feedback delivered in a single consolidated note
