

Video Shot List & Call Sheet Template

Pre-Production Pack

Every hour of pre-production saves three on set. These templates cover the details that cause reshoots when skipped.

What's inside

- Shot list with coverage columns
- Call sheet with contacts and timings
- Equipment and backup checklist
- Location recce questions
- Continuity tracking sheet

Shot List

- 01 Every shot has size, movement, and purpose recorded
- 02 Mark which shots are essential vs nice to have
- 03 Group by location and lighting setup, not story order
- 04 Note audio requirements per shot

Call Sheet

- 01 Call times per person, not one time for everyone
- 02 Full address with parking and access notes
- 03 Contact numbers for every key person on set
- 04 Weather forecast and wet-weather alternative

Equipment

- 01 Two of everything mission critical: batteries, cards, audio
- 02 Confirm card capacity against expected shooting ratio
- 03 Pack a basic tool and gaffer tape kit
- 04 Test every item before it leaves the building

On Set

- 01 Record room tone at every location
- 02 Log continuity for wardrobe and props between setups
- 03 Back up cards before leaving the location
- 04 Shoot cutaways and B-roll before wrapping
